Dear Parents/Carers,

Early help

Hallam Fields Junior School works to provide Early Help to families in the school community. We work alongside a variety of agencies and continue to provide support through the school setting.

However, considering recent events and the extra pressure on family life we wanted to let all families know of the support that is available if school maybe closed, or your child is unable to attend school.

PLEASE NOTE: Sign posting for **all** early help support is **always** available on our school website.

If you are concerned about the safety of a child or you require urgent help or advice Call Derbyshire on 01629 533190.
