

Year 3	Date: 22 nd April
English	<p><u>Reading</u> Try reading at bedtime today, it really helps you relax. Remember to read for 20 minutes or more. Complete a quiz for any book you have read on MyOn and Accelerated Reader.</p> <p><u>Word of the day:</u> blush What kind of word is it? Look it up to check the word class. How many different sentences can you use this in?</p> <p><u>Activity</u> https://www.twinkl.co.uk/resource/ks2-alice-in-wonderland-story-powerpoint-t2-e-42003 <u>WALT:</u> Sequence a story. <u>SC:</u> *Use pictures and a few words in each box **Make sure that it is sequenced in order from beginning to end.</p> <p>This is a short version of the Alice in Wonderland story. Read through it once then go through it again and create a story board to sequence what happens in each part. (This is like a cartoon grid with each box explaining a part in the story). In each box draw the character that Alice meets and explain what has happened. Have you sequenced it from the start to the end of the story? You don't have to rewrite the story; just sequence it in order and make sure that if you had to retell it to somebody using your storyboard, that it would make sense. We will use this grid later in the week.</p>
Maths	<p><u>Arithmetic practice</u></p> <div style="display: flex; justify-content: space-between; align-items: center;"> <div style="text-align: center;">  <p>Year 3 Week 3 - Day 3</p> </div> <div style="border: 1px solid black; padding: 5px; text-align: center;"> <p>KEY</p> <p> Try mentally first</p> <p> Try a written method</p> </div> </div> <div style="display: flex; flex-wrap: wrap; margin-top: 10px;"> <div style="border: 1px solid black; padding: 10px; width: 50%; text-align: center;"> A. $3 \times 4 =$ </div> <div style="border: 1px solid black; padding: 10px; width: 50%; text-align: center;"> B. $8 + 4 + 5 =$ </div> <div style="border: 1px solid black; padding: 10px; width: 50%; text-align: center; margin-top: 10px;"> C. $87 - 24 =$ </div> <div style="border: 1px solid black; padding: 10px; width: 50%; text-align: center; margin-top: 10px;"> D. $45 + 8 =$ </div> </div>

	<p><u>Activity</u> Keep going with the White Rose resources. Today we'd like you to do week 2 – session 2. This focuses on fractions of amounts. https://whiterosemaths.com/homelearning/year-3/</p> <p>Once you have finished this and marked it together, we would like you to play a game of Hit the Button. There are lots of different games that you can play but we would like you to have a go at the halves option. You can pick your own level of difficulty – can you get a score of 10? https://www.topmarks.co.uk/maths-games/hit-the-button</p>
<p>Wider Curriculum</p>	<p><u>Computing</u> For computing, we would like the children to have a go at learning about abstraction through using the Barefoot Zoo interactive game. This is a new concept for the children but takes it very slowly and makes it easy for the children to understand. https://barefootgames.org/abstraction?ref=https://www.barefootcomputing.org/</p> <p><u>PE</u> Using Joe Wicks workouts as an inspiration, create your own HIIT workout that includes 6 different exercises. You could see if a sibling or grown up wants to have a go with you once you have created it!</p>
<p><i>Parents/carers these are all suggestions, along with all other links on the school website. Please find a balance of work and other activities that works for your child and your family. If we can offer help with anything please email school enquiries@hallamfields.derbyshire.sch.uk or send us a message through the class blogs.</i></p>
